“The President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors.” – Article 2, Section 4 US Constitution

When rulers do evil

Scripture tells us:

For rulers (representatives) are not a terror to good works, but to the evil. ... For he is the minister of God to thee for good.

Romans 13:3-4

Yet, what happens when they turn out to be in a position of doing the evil rather than good? This is what is happening, and has been happening for decades in this country.

Breaches of the Constitution

We have seen churches being unlawfully closed, congregants fined, pastors arrested, as well as tattoo artists and mothers bringing their children to the park, planned parenthood protesters and beachgoers arrested, barbers being arrested and then stripped of their licenses for going back to work, etc...(2 Thessalonians 3:10). We even watched police-SWAT use a tank and assault weapons against a mother. She was protecting her child from the CPS-State forced medications.

Then we have these same power-hungry overreaching governors and mayors offer money to those who will snitch on their neighbors. (Mark 13:12.)

Now They Want You to Turn in Your Neighbors, Snitches Get Rewards! Representatives Acting Like The Nazi's SS – How Long are Americans Going to Tolerate This?

They have been indoctrinating the American people to communicate like Adolph Hitler's political prisoners under the Third Reich. The list goes on and on...

These are the things that good government should be discouraging, not encouraging. Especially when it is all premised on a criminal fraud that is being perpetrated on a global scale today.

An act of open defiance of the Constitution

Recently, Mayor Lori Lightfoot of Chicago made a frontal unconstitutional attack against the very people she is to serve. Does this look and act like American government to you?

People in this country need come to terms with the fact that these people, many of them have forgotten where they came from (1 Timothy 3:6), do not understand you and me. Many of these same representatives believe they are above the law and act accordingly (Isaiah 14:12-14). We must bring them into check with the laws they are to uphold. Then again, look to what many of these corrupt politicians feed upon (John 8:23, 44).

Does the federal administration countenance breaches of the Constitution?

Just yesterday, an interview took place between the corrupt on both unconstitutional sides of the US Constitution in the mainstream media. They were talking of how the current

administration is taking in hand the corruptions going on in a foreign country.¹ Yet all the while, the American people are under attack by the same administration that claims to be protecting a foreign country from foreign corruptions (Daniel 9:7).

When you go to Romans 12:21, you can see that this verse precedes Romans 13. It states that we are not to let evil overcome us, but to overcome evil by doing good. It is time to set the record straight here as to whom someone needs to arrest.

In conclusion

This was the ruling of the United States Supreme Court shortly after the “civil war” in *Ex parte Milligan*, 71 U.S., which you can make applicable today concerning the issues that we now face.

Neither the legislature nor any executive or judicial officer may disregard the provisions of the constitution in case of emergency. ...Section 98 therefore, ANYONE who declares the suspension of constitutionally guaranteed rights (Freely travel, peacefully assemble, freely worship, earn a living etc.) and or attempts to enforce such suspension within 50 independent, sovereign, continental United states of America is making war against our constitution (s) and, therefore, we the people. They violate their constitutional oath and, thus, immediately forfeit their office and delegated authority and their proclamations may be disregarded with impunity and that means ANYONE; even the Governor and President.

1 No doubt the “Russian Story” was at issue in that interview. CNAV considers that without foundation.
