“And the LORD said unto me, A conspiracy is found among the men of Judah, and among the inhabitants of Jerusalem.” -Jeremiah 11:9

## Conspiracies have in fact always existed

---

It should interest every American concerning the conspiracies that are taking place by our so-called representatives and agencies today.

These are working hand in glove with the mainstream media in undermining our God-given rights. And the people have allowed them to do so now for decades.

Of course, we all remember the courageous people that told Americans 50 and 60 years ago the facts about the conspiracies. Yet, the mainstream media singled them out as “theorists.”

What is happening in America today, not a person, not even the mainstream media’s “useful idiots,” can deny. No longer can they deny the conspiracies taking place by throwing them out as just another theory.

What few realize is that the mainstream media have uncovered themselves over and over again. We see them attempting to cover for those who are responsible for the acts of treason and conspiracy.

## The real conspiracy and the throwaway conspiracies

Yes, the mainstream media is guilty of covering for conspirators by labeling anyone and everyone telling the truth as "theorists."

You will find in 2 Kings conspiracies were always within because that way they were easier to control. (2 Kings 14:19, 15:15, 15:30, 17:4).

The best way to distract and divert the people from the guilty party was to throw contrived theories out to the masses. These theories had no credibility, and existed only to further cause confusion. The object: to attempt to fatigue them into giving up their search for truth and justice (Isaiah 59:14).

We are now beyond speculation concerning conspiracies within this said government and its agencies, ie. mainstream media.
