*“That means burn your masks right now if you didn’t already. Open your gym and movie theater and open whatever business you have,” Attorney Katherine Henry said. “Go on and frequent whatever business you would like to go to, if you have a church that’s limited your services because of how you’re reading the EOs, forget that. All of those executive orders, based on COVID-19 circumstances, from 2020, they’re out, they’re gone, they’re done.”*

## **Burn your masks, says victorious attorney**

It seems that when the people in this country feel that an issue is worth fighting for, they, without fail, win out (1 Timothy 6:12); and oftentimes, and before a victory is given, the Lord will ask His people to do something that requires faith especially, in the direst situations-namely to fight the good fight of faith (1 Timothy 6:12).

After all, the Lord is willing to give what it is that for which His people are willing to fight.

One of those examples is that of Attorney Katherine Henry. Who took on Michigan tyrant Governor Gretchen Whitmer, who likes to dictate at will.

Katherine Henry simply reminded this said governor of her place. She did it by holding the US Constitution up as straight stick, if you will. Thus she exposed the corruption of that of the crooked governor (Exodus 20).

When the odds of corruption were stacked against her people, she looked to the One that could give absolute victory over that of the would-be tyrant and won (Romans 12:21; Article

6, Section 2 US Constitution).

Fox 2 Detroit reported on Attorney Henry's remarks following the decision of the Michigan Supreme Court:

## **From Newsweek**

Newsweek also reported:

*Attorney Katherine Henry, who argued before the Michigan Supreme Court against Governor Gretchen Whitmer's executive emergency orders regarding the coronavirus pandemic, social distancing and masks, has urged Michigan residents to "burn your masks."*

*The Michigan Supreme Court ruled this past Friday that Whitmer, a Democrat, had no lawful authority to extend the state of emergency and require social distancing measures beyond April 30. Henry, who founded the Restore Freedom Initiative, told WJBK (Fox 2 Detroit) that this meant the executive orders were overturned as of Friday afternoon.*

*"That means burn your masks right now if you didn't already. Open your gym and movie theater and open whatever business you have," Attorney Katherine Henry said. "Go on and frequent whatever business you would like to go to, if you have a church that's limited your services because of how you're reading the EOs, forget that. All of those executive orders, based on COVID-19 circumstances, from 2020, they're out, they're gone, they're done."*

Well friends, Katherine is right as we can now all see. Let the American people emulate Katherine in reference to the US Constitution and the Author of Common law. Then rest assured we could put a lot more of these tyrants out of business for good. (Hosea 4:6, Hebrews 13:7.)

## **Burn your masks, indeed**

Congratulations to Katherine and to the good people of Michigan. For they proved once again that we are a nation of laws and not of men. (Psalm 33:12.)

Regarding the burn your masks command, Orthodox Jews in New York City did precisely that two days ago. Breitbart shares these tweets:

This next story might not seem relevant, but its timing strikes your editor as curious, to say the least. The FBI announced their arrest of 13 men they accuse of plotting to abduct Gov. Whitmer and overthrow State government. Gov. Whitmer does not seem particularly grateful to the FBI, or the President. The suspects in fact have an anarchist, even anarcho-communist, bent. We deal here perhaps with “loose cannons on the gundeck” among the enemies of law and order. Or perhaps we deal with a false-flag pseudo-operation.

This is a video of Brandon Caserta, one of the ringleaders of the group of men arrested for a plot where the group planned to kidnap Governor Gretchen Whitmer. Caserta has an anarchist flag behind him and in YouTube videos trashes police. He’s not a Republican, he’s an anarchist. [pic.twitter.com/J1vE2qGYL7](https://pic.twitter.com/J1vE2qGYL7)

Sooo... the media is linking Gretchen Whitmer's attempted kidnappers to Trump with no evidence... BUT NEVER LINKED the Bernie bro who tried to murder the entire Republican baseball team to Bernie when there was PILES OF EVIDENCE... got it.

Well this video 100% wrecks [@GovWhitmer](#)'s insane conspiracy theory about Trump. "Trump is a tyrant" plus the usual anarchist logo in the background <https://t.co/lZh4m7y1FJ>

Wow! This is big. Brandon Caserta, one of the ringleaders of the group of men arrested for a plot where the group planned to kidnap Gov. Gretchen Whitmer, hated President Trump too!

"Trump is not your friend dude"

He says Trump is "a tyrant" & calls President Trump an "enemy".
