“It is a medical device, not a drug!” -Dr. David Martin

Vaccine or medical device?

Recently, a friend of mine took the time to send a program called “Focus on Fauci” in which they present a short expose on the long history of repeat criminal Anthony Fauci (Ephesians 4:14).

Throughout the video, they share with the viewers the actions of the unqualified Anthony Fauci, who has been wrongly labeled “America’s Doctor.”

Robert Kennedy Jr., Judy A Mikovitis, PhD, Rocco Galati, Sacha Stone, and Dr. David Martin do an outstanding job of exposing the actions of this fraudulent “criminal conspiracy” that is taking place on a global scale today (Jeremiah 11:9).

Do yourselves, your friends and your family members a loving favor by sharing with them the truth concerning the FDA, Big Pharma, Bill Gates, Anthony Fauci and this current administration and what it is that they mean to hide from your eyes and ears. Your lives may just depend upon it (Habakkuk 1:3-4).

At the 1:42:34 mark, Dr. Martin Explains that this “vaccine” being pushed on the people as a vaccine is not a vaccine at all.

Editor’s Note

The video from Dr. Martin might or might not load. Brighteon, the host, is having the same technical issue that plagued Parler.com yesterday. Namely that everyone at once was demanding their content. And it *wasn’t* a Distributed Denial of Service attack!
