

Face Masks: The Radical Leftist Symbol of Submission

Masks have been a part of societies for 9,000 years. The earliest masks were part of rituals and ceremonies. Later, they were used in hunting, feasts, wars, performances, theaters, fashion, sports, movies, and then as protection against medical and occupational hazards. Masks have become symbols for their various functions.

Masks for many motives, good and evil

Different masks worn by different people have different motives. A masked bank robber is very different from a masked Halloween trick-or-treater. Masks are coverings that can also disguise messages. So it is with political masks.

The two most controversial political masks in America today are the Muslim niqab and the COVID19 face mask. What do these seemingly disparate face coverings have in common? Both are marketed as protective face coverings with the connotation of safety. Both are worn with pride by their adherents, and both disguise a powerful political message of submission. The mask is the message.

The female Muslim experience with masks

Muslim women following supremacist, Islamic religious sharia law are subservient to their fathers, husbands, and brothers no matter where they live in the world, and no matter how protective equal rights laws for women are in the country where they reside. Sharia law does not recognize the authority of the United States Constitution.

Muslim women who embrace sharia law wear their niqabs with pride. They value their submission and, for them, wearing the face-covering is virtue signaling. For most Americans, the face mask of the Muslim woman is a detestable symbol of submission. It violates American principles of equality and freedom. It is almost incomprehensible for Americans to understand these Muslim women without understanding that sharia law teaches the supremacy of Islam.

From the Muslim Brotherhood's own documents

The 1991 Muslim Brotherhood Explanatory Memorandum explains in precise detail the strategic goal for the Muslim Brotherhood in North America. The plan is for settlement not assimilation. Settlement is another word for submission. In its own words:

The process of settlement is a “Civilization-Jihadist Process” with all the word means. The Ikhwan [Muslim Brotherhood] must understand that their work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and “sabotaging” its miserable house by their hands and the hands of the believers so that it is eliminated and God’s religion is made victorious over all other religions.

For decades the radical leftist Culture War on America has been attempting to:

- collapse America from within and
- replace our constitutional republic with socialism.

The leftist promise is that destroying free market capitalism and replacing it with socialism will provide social justice and income equality. The radical leftists have common cause with the Islamists to destroy America from within.

Leftist and Islamist propaganda – and now a direct threat

The leftists and the Islamists both have established educational wings to propagandize Americans toward their respective ideologies. They both have established violent paramilitary factions in the United States. They exist to terrorize the public and impose their ideologies when persuasion and propaganda are not enough. The Islamists have their jihadis, and the radical leftists have ANTIFA and Black Lives Matter (BLM), All unapologetic domestic terrorists. Hawk Newsome, the president of the BLM of Greater New York movement, clarified his willingness to use any means necessary. He gave a jaw-dropping June 23, 2020 interview with Fox News Martha MacCallum on “The Story.”

“You said ‘burn it down, it’s time,’” MacCallum told Newsome.

“I said if this country doesn’t give us what we want, then we will burn down this system and replace it. All right?” he replied.

“Never let a good crisis go to waste”

The radical 2020 Democrat party platform kneels to both radical leftism and Islamism. Blue state governors, mayors, and local Democrat authorities are exploiting the coronavirus with COVID19 mask mandates to:

- prolong the economic shutdown,

- prevent an economic recovery, and
- collapse the U.S. economy

in hopes of defeating Trump in November.

Rahm Emanuel, Barack Obama's chief of staff, famously said,

You never let a serious crisis go to waste. And what I mean by that is it's an opportunity to do things you think you could not do before.

The coronavirus outbreak was a bonanza for the radical left, an economic bioweapon unleashed by the communist Chinese designed to collapse Trump's roaring economy. Political medicine from the World Health Organization (WHO) and the globalist-infested Center for Disease Control (CDC) has been deliberately exaggerating the threat of COVID19 to create panic and social chaos to destabilize the country in advance of the 2020 election.

Face masks and the pseudo-science behind them

The stunning June 19, 2020 article by Patrick Wood in Technocracy News, "The Miserable Pseudo-Science Behind Face Masks, Social Distancing And Contact Tracing," exposes the entire hoax. Wood begins,

Once upon a time there was something called science. It included the discovery of truth about nature. ... Then certain other scientists and engineers rose up and made a discovery of their own. If true science was ever-so-slightly skewed and engineering principles were applied to society at large, then they could indeed use their 'knowledge' to dominate and control other people, groups, entire societies or even, heaven forbid, the entire planet. The first group pursued science. The second group pursued pseudo-science.

Masks depend on a model the authors of which knew was false

Patrick Wood explains that pseudo-science is the principal domain of technocrats. The fraudulent predictive models that the WHO and the CDC relied on to terrify the public come from politically driven data. The acronym GIGO means garbage in garbage out – it describes with precision British scientist Neil Ferguson's doomsday pandemic model. Ferguson's Imperial College report predicted that 2.2 million Americans would die from the virus, that hospital beds would be overflowing, and that there would be a critical shortage of ventilators. CDC globalists Fauci and Birx used that report to persuade President Trump to shut down the U.S. economy. The radical leftist Democrat site COVID Act Now also used Ferguson's model. They posted the disinformation that local and state officials in the U.S. used to issue shelter-in-place mandates.

More and greater lies

Ferguson retracted his wildly inaccurate model but the economic damage was done and the political hysteria continues. Fauci and Birx used the equally fraudulent Institute for Health Metrics and Evaluation (IHME) report from the University of Washington, by institute director Christopher Murray, to support more political medicine mandating lockdowns to close businesses, schools, and keep people from their right to assembly. The mitigation measures had the purpose, not to flatten the curve, but to flatten America. IHME has committed itself to globalism and the United Nations 17 sustainable goals.

Medical science does not warrant any of the wildly exaggerated projections or draconian measures, the pseudo-science of political medicine does.

Technocracy and bureaucracy

Technocracy is the science of social engineering, the scientific operation of the entire social mechanism to produce and distribute goods and services to the entire population. What this means is that leftists are using their pseudo-science of “settled science” to achieve the radical leftist political agenda of fundamentally transforming America. Islamists want to make America Muslim. Leftists want to make America socialist.

The Culture War on America is part of the overriding globalist war on American national sovereignty. The leftist, Islamist, globalist, Chinese communist axis participating in the war on America now has its own symbol disguised as public health. That symbol is the COVID19 face mask. The mandated face mask represents political medicine disguised as medical science. Leftists wear their face masks with pride because, for them, it is virtue signaling.

Masks and the symbolism they represent

For those Americans who value their freedom and individual rights the COVID19 face mask is the symbol of submission to radical leftism. It is almost incomprehensible for Americans to understand the radical leftist commitment to collapsing America without understanding that cultural Marxism teaches the supremacy of radical leftist socialism. A *Washington Times* article 8.22.2019 written by James Veltmeyer defines the issue.

Cultural Marxism is the father of the Democratic Party’s identity politics and political correctness. It is the father of transgender insanity and racial polarization. It is the father of open borders and rights for illegal immigrants. And, yes, it is even the father of the anarchy and nihilism that gives rise to mass shooters and to Hollywood movies that portray hunting human beings for sport as “entertainment.”

Masks represent another humanitarian hoax

The enemies of America are exploiting public fear of death and dying for political gain. It is a colossal humanitarian hoax. Mandated masks, mandated social distancing, mandated prolonged business and school closures are sinister efforts to establish a new normal of submission in America. This is how the radical left intends to settle America!

COVID19 face masks are now the symbol of submission in the United States. Leftist Democrat governors, mayors, and local authorities mandating masks are presenting their mandates as altruistic. Joe Biden just announced that he would use his federal powers to force Americans to wear face masks if elected. The COVID19 face masks are radical leftist Democrat pseudo-science and virtue signaling designed for submission.

Just say NO

Say NO to settlement by Islamists, and NO to settlement by radical leftists. Say NO to settlement by globalists, and NO to settlement by Chinese communists. And say YES to freedom in our constitutional republic, the United States of America!

Take off your masks America and refuse to submit!
