

Muslim religion of submission

With the events we are watching unfold in France and most all of the Middle East and the constant attacks on peoples of many other nations, there is much concern and discussion in our country and indeed, all over the world about the war being waged by, "Islamic Radicals" on behalf of their Religion. This is a war against all people who are not of, or do not support, the Muslim faith of Islam and their Sharia Law.

A Muslim war against all things non-Muslim

If anyone speaks of Muslims waging this war without saying, "Islamic Radicals" they are chastised rather harshly for not being politically correct in their failure to use the term "Radicals" with Islamic. Have you ever wondered why the so called moderate Muslims who may not embrace terrorism do not speak up in outrage against what is being waged in the name of their religion, Islam? I submit to you it is because they are not the devout Muslims. Those who are waging this war of murder and other atrocities are the devout Muslims true to their faith and the teachings of their Holy Koran. They are indeed radical because the Religion of Islam is a Radical Religion. Islamic Radicals and the Religion of Islam are one and the same. Moderate Muslim only means you are not a true and devout Muslim, guided by the teachings and commands of your Holy Book, the Koran.

I challenge the claim that the Islamic religion is a religion of peace. Their definition of "religion of peace" is the end result of winning the war they are waging, when all of mankind will be under the Islamic Religion and their Sharia Law through either conversion or death. The true and devout Muslims believe when every person on earth, who is not a follower of Islam, has been either converted or killed, the world will be at peace, thus their "religion of peace". I state without reservation, ALL MUSLIMS WHO ARE DEDICATED TO THEIR FAITH AND TEACHINGS OF THEIR KORAN, DO HAVE THE TOTAL DESTRUCTION OF ALL NATIONS, SUCH AS THE UNITED STATES WITH SECULAR CONSTITUTIONAL FORMS OF GOVERNMENT, AND THE IMPLEMENTATION OF SHARIA LAW WITHIN THOSE NATIONS, AS THEIR GOAL. Yes, I am speaking of it as a religion. It is the GOAL OF THE MUSLIM RELIGION OF ISLAM!!

It is not only a religion but a form of government with their own laws called Sharia, which is a very evil thing in itself. It is the only religion in the world, unlike Christianity, Judaism, or the eastern religions, which has an overriding goal to control and dominate all human beings on earth. There is no other religion on earth which seeks the level of power and authority over every person on this planet as does ISLAM AS A RELIGION, through deadly force if that is what it takes.

If we are to survive by winning this war, it is an ABSOLUTE MUST that we recognize this most powerful and fundamental difference in the Muslim religion of Islam and the other religions of the civilized world. Ladies and gentlemen, WE ARE AT WAR. It is World War III. When our nation is at war, who is, Constitutionally, the Supreme Commander of our efforts to defeat our attackers? It is our president.

Have we a Muslim President? Or a Muslim-sympathetic one?

No other American President has ever been so partial to Muslims and their Islamic Religion as President Barack Obama. He will not refer to our attackers for whom they are. He just cannot bring himself to say the words, Islamist, jihadist, Islamic terrorism – nothing as to their real identity. What does it say about our chances of survival in The United States when our Commander in Chief refuses to recognize who we are fighting? Every world leader of any standing has now declared that it is indeed the actions of Islamic Terrorists, except one, President Obama of the United States.

The events we have been watching in France, the be-headings of Americans by the Islamic State, and other such events of murder and mayhem without our president becoming engaged by recognizing the enemy, are arousing concern by many over whether President Obama might in fact be a Muslim. I do know there is an Islamic doctrine known as “taqiyya” that permits Muslims to deny they are Muslim if it would be dangerous not to or to knowingly deceive infidels (anyone who is not a Muslim). Ask yourself, do you believe Barack Obama being capable of lying, of being deceitful?

No, I can not prove that Barack Obama is a Muslim. However, he has never made a secret of the fact that both his father and stepfather were Muslims. It is well documented that when he lived in Indonesia he attended a Muslim madras until he was ten years of age, a school devoted to the Muslim faith of Islam.

Many of us have seen his interview with George Stephanopoulos, when Obama said “John McCain has not talked my Muslim faith” and Stephanopoulos was quick to suggest to Obama that he meant to say his “Christian faith”? Obama quickly responded, “Yes my Christian faith.” Can you imagine any Christian you know under any circumstances, accidentally calling himself a Muslim? Again, no I can not prove Obama to be a Muslim. He has publicly referred to the Muslim call to prayer as “one of the prettiest sounds on earth at sunset.” Again, publicly he has recited its opening lines with a perfect Arabic accent saying “Allah is supreme...I witness that there is no God but Allah.” Is Barack Obama a Muslim? I think in his heart of hearts, he is. What do you think? Be your own judge.

What we are witnessing today in France, other countries of Europe, Australia, Iraq, and Syria will spread into the United States. WE ABSOLUTELY MUST STOP THINKING, “THAT CAN’T HAPPEN HERE.” I assure you if we don’t enlighten ourselves and stop so much political correctness out of fear of offending someone, it can and surely WILL happen here.

You have my permission and encouragement to forward to all you can.

Until next time, I am

Respectively yours,
