## Bill Gates is pushing a global agenda

Today in America, you have the president of the United States, under false and contrived pretenses, advocating along with Dr. Anthony Fauci and Bill Gates, to push forth their global agenda. You have to ask yourself, who is the president?

As a matter of fact, every one of President Trump's coronavirus response team members is fronting for what Bill Gates is selling. I wonder, is this how you “Make America Great Again”?

This is, without a doubt, a preplanned global agenda that is predicated on criminal fraud (Jeremiah 11:9).

## Bill Gates has a special interest

The sad fact of the matter is that some people in this country still labor under the delusion that special interest groups are not behind the politicians who are selling the American people out to the highest bidders (Exodus 23:8; Luke 22:48).

Somehow or another people seem to believe that what is taking place is not life-threatening, it is. As a matter of fact, outside of these corrupt individuals, both politicians and special interest groups, it is what is in the vaccinations that is life threatening (Leviticus 19:19).

Yet, some people in this country are still under some delusional cloud. It's as if to suggest that what this government-special interest groups is responsible for is somehow legal.

## Time to shut them down

---

Until Americans come to terms with the fact this is criminal and that this is foreign to American government, these politicians, as well as special interest groups are going to continue on until they are lawfully stopped, and now. Read Article 2, Section 4, and Article 1, Section 3, Clause 7 of the United States Constitution.

Shut down corrupt politicians and you shut down special interest groups, period (Psalm 94:16).
