

THE TRUTH BEHIND CIATTARELLI'S LIES

An Open letter to "Duplicitous Jack"

TPATH REMARKS

The Eagle

Dear DJ(Duplicitous Jack),

"I'm not upset that you lied to me, I'm upset that from now on I can't believe you." Friedrich Nietzsche

Your last three mailed glossy attack ads have reached new lows, even for the filth called NJ politics. They reveal just how panic-stricken you are of Hirsh Singh. Resorting to half-truths, outright lies, and fabrications say more about you DJ than a youthful indiscretion by Mr. Singh.

Character assassination in lieu of a solid conservative platform may well be the legacy of both the GOP and the Democrats here in the Jersey Swamp, but the voters have had enough of it. And too, we have had enough of the underhanded manipulation of our primaries which has imposed on NJ one RINO after another for over four decades.

The Eagle has awarded you the title of 'Duplicitous Jack', a title well earned. It's time to set the record straight. To that end each of your "hit piece" ads, posing as a platform, have been reviewed and are broken down here, one by one.

DJ'S DECEPTIONS

You claim you plan to cut taxes and shrink government. Here is your actual record which flies in the face of your campaign promises:

- 1. When in the Assembly you supported raising income taxes*
- 2. You voted with Democrats to expand the sales tax*
- 3. You supported a higher gas tax*
- 4. You voted against tax credits for small businesses*

5. You will not take a stance on school choice

Hirsh Singh understands and will act upon his promise to support School Choice which will cut property taxes by as much as 50% and create a much better and effective education system. Jack has remained mute on this issue as he fears the teacher's unions more than he fears the voters.

MORE DUPLICITY

Another untruthful claim is *"you're leading the fight to reopen schools and business."* How, where, and when? Where were you when Murphy was brutally attacking the Gym owners in Bellmawr?

You claim you supported President Trump's re-election and key policies, yet during the debate, when asked about that support you refused to answer specifically.

A FEW JACK STATEMENTS

1. Joe Biden is our President who won fair and square
2. Trump is a 'Charlatan' not fit to be President
3. Trump should step aside
4. You proudly stated that you did not vote for Trump
5. You would "vote for everybody else"

You claim Hirsh Singh is fake MAGA
NO Jack! You're the fake MAGA

BOGUS CLAIMS

Your spurious claim of defending life slips through the cracks. It is certain you have not forgotten you were against Christie's defunding of Planned Parenthood but you expect and hope that the people have. We have not.

Likewise Jack, we are still awaiting an answer as to whether you believe an unborn baby is a life.

In short, Jack, Hirsh Singh pledged that on the first day of taking office, he would issue an Executive Order ending late-term abortions in the State of New Jersey. Twist that DJ!

VACUOUS AND DECEPTIVE

Your pledge to defend our Constitutional freedoms fails to hold water. Not only do you refuse to take a stand on children in the womb, you obfuscate another Constitutional right. That would be the right for every law abiding citizen to carry a firearm.

You know your Blue Blood support in the RINO establishment abhors the 2nd Amendment. It is clear you, while refusing to admit it, do too. Your voting with the Democrats in an attempt to overturn Christie's veto of more draconian gun laws should be proof enough of that.

Hirsh Singh has pledged, unequivocally, to issue an Executive Order protecting our right to carry.

CO-MINGLED HALF TRUTHS

One of your attack ads defines you more as a student of left wing propaganda than it says about Hirsh. You attempt to have the voters believe Hirsh Singh was some kind of Obama groupie by co-mingling statements from the Wall Street Journal and a Pompeo speech from 2016.

Another ad gives new meaning to sleaze. You call Singh a perennial loser and a fraud simply because he lives in the same home as his parents, as if this was some kind of crime against humanity. The deceit continues as you accuse Hirsh of being a slacker who has paid no property taxes. The property where he lives, a very large and beautiful home, is not in his name. How could he be the payer of record in regards to taxes?

The childishness of that ad further indicates your lack of honesty as you attempt, as a result of having no platform of your own, to

equate a family living together as some kind of Peter Pan fairy tale. In fact Jack, the fairy tale is you.

THE MISCONCEPTION CONTINUES

The accusation that Hirsh has financial ties to Phil Murphy and Hillary Clinton by use of pictures taken at events is so foolish it's difficult to believe even you would try it.

The contributions your ad refers to were in fact from Singh's father who, like so many business people, need to do such things to survive. A very famous person, while operating in liberal controlled environments did exactly the same thing. His name is Donald J. Trump. Tell us Jack, have you never played that game? Be careful of your answer.

RIGHT OUT OF THE LEFTIST PLAYBOOK

Accusations of misogyny and racism are the last bastions of desperation. Since Singh is a man with wonderful brown skin the race card can't be used. He is however a man, so bring out the misogynist card. Pathetic.

The ad claims Hirsh Singh verbally attacks women because as a young man he referred to a song lyric of his youth? This qualifies as being a woman hater and therefore disqualifies one from being Governor? Jack, the people are not as ignorant nor as stupid as you think and hope they are.

There's only one candidate running in the Republic Primary that can beat Phil Murphy, and it's not you Jack. It's not Peter Pan. It is Hirsh Singh.

WHY SINGH WILL DEFEAT YOU

1. Hirsh Singh has given the voters numerous solutions
2. Offered no empty promises
3. Has not danced around vaguely defined positions
4. Has created zero attack ads on any opponent

Jack, we all know that the establishment hasn't changed. It mounts vicious attacks against non-rinos of their own party while

caving in to the liberal agenda at every turn. But Jack, know this, the people have changed and we are now ready to end the same old, same old.
